

Self-Screening Health Questions for Parents

QUESTIONS FOR FULLY-VACCINATED STUDENTS

Full vaccination means two weeks after you have received the second shot of the Pfizer-BioNTech or Moderna vaccine, or two weeks after you have received one shot of the Johnson & Johnson vaccine.

Has your child experienced any of the following symptoms in the past 24 hours?

- Fever (100.4°F or higher)
- Headache
- Shortness of breath or difficulty breathing
- Cough
- Sore throat
- Vomiting or nausea
- Diarrhea
- New loss of sense of taste or smell
- Fatigue
- Muscle or body aches
- Congestion or runny nose

Is your child waiting on the results of a COVID-19 test?

- *Please Note:* This DOES NOT include COVID-19 screening testing happening in CPS schools.

Has your child tested positive for COVID-19 in the past 10 days?

- If yes, please report their results by visiting cps.edu/covidresults or call (773) 553-KIDS (5437).

If you answered **YES** to any of these questions, please keep your child home.

QUESTIONS FOR NON-VACCINATED OR PARTIALLY VACCINATED STUDENTS:

Has your child experienced any of the following symptoms in the past 24 hours?

- Fever (100.4°F or higher)
- Headache
- Shortness of breath or difficulty breathing
- Cough

- Sore throat
- Vomiting or nausea
- Diarrhea
- New loss of sense of taste or smell
- Fatigue
- Muscle or body aches
- Congestion or runny nose

Has your child been in close contact with someone who has tested positive for COVID-19 in the past 14 days (i.e., within six feet for 15 minutes)?

Is your child waiting on the results of a COVID-19 test?

- *Please Note:* This does NOT include the routine COVID-19 testing happening in CPS schools.

Has your child traveled to any state marked orange on the [Chicago Department of Public Health \(CDPH\) Travel Advisory map](#) in the past 10 days?

- Please answer “No” if your child received a negative COVID-19 test within three days of arriving in Chicago or upon return.

Has your child traveled internationally to a [moderate, high, or very high-risk](#) location in the past 10 days?

- Please answer “No” if your child has already stayed home for 7 days **and** your child has received a negative COVID-19 test 3-5 days after returning.

Has your child tested positive for COVID-19 in the past 10 days?

- If yes, please report their results by visiting cps.edu/covidresults or call (773) 553-KIDS (5437).

If you answered **YES** to any of these questions, please keep your child home.
