

## **Room 121**

### **Class Dojo:**

This year, we will use Class Dojo as a primary source of behavior management. Once you are connected to us via a mobile app, Class Dojo will allow you to be a part of our school day - with notifications of points, photos and other updates to what is happening in our classroom. It also serves as an additional communication tool between the teacher and parent!

### Students will receive points in the following categories:

1. *Academic work/center completion*
2. *Participation*
3. *Teamwork*
4. *Classroom rules*
5. *Social Emotional / Independent Functioning goal tracking*

The points will be tallied weekly, and students will earn Dojo Bucks, to use in the school store. We will also hold class-wide goals to earn monthly movies/pizza/popcorn parties!
