 - PM session: 11:55 - 2:30

- You have signed an attendance contract. Please let us know if you would like a copy.

- We have an attendance incentive plan in the student parent handbook that rewards students for coming to school.

ATTENDANCE CONTRACT

Attendance is important to a successful school year. Please send your child to school daily. Make every day count.

All parents will sign an attendance contract at the beginning of the year indicating that they are aware of what our expectations for attendance is. Our goal is 95% attendance or higher for all students.

If your child is going to be absent because they are sick, you must do 3 things:

1. If your child rides the bus, call the bus company and let them know not to stop at your home.
2. Call the school office (773-534-1228) to report your child's absence.
3. Fill out an absence excuse form and return it back to us.

School success starts
with attendance

ARRIVAL AND DISMISSAL

School start and dismissal time is 7:30am-2:30pm. Due to congestion and traffic, preschool will begin dismissal at 2:20pm to give sufficient time for parents to sign out and touch base with the teacher. Room 104am pick up and drop off is located at door 7. 104pm drop off is at door 4 and pickup is at door 7.

Students will only be allowed to be picked up by parents and adults who are listed on the release forms. If someone else is picking up your child from school, please put it in writing with the person's full name. They will be asked for picture identification (driver's license, state ID) upon pick up.

Classroom teachers will be working on pedestrian safety with all the preschool classrooms. This includes staying with the class during walks outside, holding hands with parents in the parking lot when arriving or dismissing, and staying in line during arrival and departure.

PARENT TEACHER CONFERENCES

- Scheduled with all families through an app called Sign Up Genius
- Available time slots for meeting with us will be sent out to all the parents electronically at the same time
- Time slots are available on a first come first sign up basis.
- Emails are generally sent out two weeks prior to the parent teacher conference meeting dates in November and April of each year.

COMMUNICATION FOLDER

For Diverse Learners:

Parents and teachers communicate daily/weekly through the communication folder. Please write any concerns or questions you may have, and we will respond within the same day. If you do not have time to write, please initial the note so that we will know you have read it.

You can also contact us through email and we will respond to you within 24 hours.

SCREENINGS (ASQ & ESI-R)

Due to our whole child approach to education and in accordance with Chicago Public School mandates, we are requesting that parents complete the ASQ social emotional screener that was sent home with parents. This provides the early childhood teachers with a greater understanding of the student's individual needs. Please fill these out before you leave today If you have not completed this.

Teachers will complete an ESI-R cognitive and language screener on each child enrolled in the preschool program. This information will provide additional information to assist the teachers and staff in meeting the individual needs of the students.

STUDENT DONATIONS

There are no school fees at Beard for the 2018-2019 SY. We are however asking for donations for all of our students.

Donations of \$50 per student are requested at the beginning of each school year to pay for programs that we may have such as school supplies, music program, field trips, student t-shirts, building supplies, or items needed to help build student programs here at the school.

We need your support for our school through fundraising efforts throughout the year! The profits benefit the purchase of school materials, such as laminating rolls and velcro. There are many school fundraisers throughout the year and we would love if your family could participate!

INCOME FORM

Applications for the Family Income Forms are sent home annually in September. All applications must be returned to the school. The purpose of this form is for CPS to obtain information about families' income to determine school funding.

Every family is required to return this form to school.
