

2022-2023 Parking Rules for Families of Beard School

Dear Beard Families,

The following rules are what we have in place to protect and keep your children and all members of the Beard Community Safe. We ask that you read all of these rules so that you are familiar with our policies of keeping everyone safe.

1. Beard School families are not allowed to park in the middle of the street at any time. You must legally find parking for your car. Double parking is not allowed. The police will be called and your car will be ticketed and towed. This is a very unsafe practice and creates an unsafe environment for children and adults.
2. Beard families are not allowed to park or block the school's parking lot. The parking lot is only for staff members. There are no exceptions to this.
3. Beard families are not allowed to EVER park or block a neighbor's driveway or alley with their car. Neighbors must be able to leave their homes to go to work and take their children to school.
4. Beard families are not allowed to park in any of the alleys surrounding the school.
5. Parking on Nashville and Natchez, on the school side of the streets will result in a \$100 ticket if a meter person sees your car there. If you park there, your consequences will be a \$100 fine.
6. Beard families are not allowed to park on Strong Street. Strong Street will be closed off at dismissal and entry times, every day.
7. Students in wheelchairs or students with mobility issues are the only cars that will be allowed to park on Strong Street, with permit parking only. These cars will be issued permits by the school on a yearly basis renewal. No other vehicles will be allowed on Strong Street for dismissal or arrival times.
8. Beard families are not allowed to park on or block school crosswalks (the white lines on the street connecting sidewalks).
9. Beard families will not argue with staff members that are asked to be outside working to keep your children safe.
10. Beard families may need to walk further than a block with your child to the school for entry and dismissal due to the high number of students that attend our school.
11. Beard families are not allowed to move barricades or open gates to find parking or gain access to closed off streets.
12. Beard families are not allowed to press car horns around the school because it scares the students. Many of our families work from home, so please be respectful of our students and neighbors.
13. All Beard families, including cars with permit parking, are not allowed to drive faster than 5 miles per an hour on the streets surrounding the school.
14. Beard families are not allowed to drive on a neighbor's lawn to turn your car around.
15. Beard School does not have drop off lanes for families. All parents are expected to walk their children to school due to their age or disability.
